“ *Our deepest sympathies on the loss of my cousin Terry. It's been sometime since we have gotten together but our Zanesville aunts uncles and cousins have always been in our thought. What fun we had as kids in those early Zanesville years and occasional visits to our homes in Avon Lake. Our very best to everyone during these difficult times. “ *If I were to choose a mentor to show me how to treat people with respect and gratitude, Terry would be the man. He put himself before others at the Home Depot. When I would arrive at work and see his car in the parking lot at work I knew it was going to be a great day. He had a way to make burdens at work seem trivial. I will also miss his Facebook posts. I could tell he was pationate about his political views and was concerned about the direction our republic was headed. He was also very proud of his daughter and her music. I know Terry is in the company of his Lord and many great souls that are greating him.*

Time goes by to fast and we leave this earth with things left incomplete. Terry will be missed by his family and friends. We have been friends for over 60 years although only got to see him every once in awhile it was good to catch up. He is with his mom and dad awaiting all of us to join again in the presents of god for ever. May god bless his family to remember the good times and know he will be with us in spirit always.
