“ *My sincere condolences on the loss of Terry. May God bless you and your family in this time of sorrow. Terry and I worked together on the New Lexington PD in the 70's. I just recently reconnected with Terry on FB. We had been sending messages back and forth about working at New Lex PD and the good times we had. Although we had a short time of reminiscing I am glad we were able to make contact after all of these years.*

“ Hi Deb I just found out about Terry passing... I'm sure that your mom and uncle Dillard was there to meet him with an open embrace... The bible says to be absent from the body is to be present with The Lord... Even though he is in a better place.. I know he will be missed by many... We will be praying for you and your family... God is good
