“ You were truly like the brother I never had. Some of the greatest memories I have are with you. The way you laughed the way you cared for animals the fact that you listened to The Carpenters just because I liked them. We had are fun we we young and then you grew up and stayed amazing. You showed from the start you were a terrific dad. I am better because I knew you. Love ya always

“ Tim was a great person to be around! He was always laughing with his unique laugh that he had. He was such a good guy to be around. I'm so glad that he was not only a coworker but friend just not to me but to all who knew him at CaDC. May your loved ones find comfort and strength in the days, weeks, months, and years to come while remembering your beloved memories and dealing with your absence here on earth. Thinking of your family especially your son Blake who you spoke of so highly and so proudly of and all your fur babies. You will be greatly be missed by many

“ I wish I had the right words, but I know nothing I say will soften the pain we've felt over Tim's passing. From the first day I met him, shortly after starting at CaDC, I knew we would become friends, he had a positivity that couldn't help but make you smile. His Love for his friends, family, Pets (Animals in general) and especially his son was something you knew at a glance. No matter the day you having Tim would always try to lift your spirits, he was great with jokes. And all the memories I have with him I'll keep forever.
YOU'LL BE MISSED TIM! REST IN PEACE ❤️
