“ *I can remember riding in the car with Great Aunt Wanda, all her sisters, my grandmother Opal and always managing to get a least one spit wash and more womanly advise than ever necessary to my little sister Sonnie and I during are long road trips with Aunt Faye driving. Gish it's a wonder we made it any where alive, hahaha. Aunt Wanda was the coolest sister and she always had a boyfriend which made her sister CRAZY, Wanda don't do this, Wanda don't do that in church. It never ended and she always smiled her secret smile and went on with her business.*

“ *Sending prayers to this branch of my family. I am Opal's granddaughter, Audrey and always remember Aunt Wanda laughing and joking with her sisters. It was a happy time whenever the "girls" got together.*

Love and prayers go out to everyone who loved her. I am Opal's granddaughter Sam's youngest daughter.... Today would have been dad's birthday. Thinking of them all in Heaven together and missing them dearly.
