“ *Greta and the Norman Family*

This is to offer my condolences for your loss of Wilber. I have long been in awe of him, his talents, and his great life experiences. He was a delight when he shared his wisdom, the history of his life, and the history of his people. The time I spent with him was precious to me.

Beyond my own sense of loss, I speak on behalf of the membership of the Multicultural Genealogical Center who were enriched by his knowledge of the Norman and extended families of the region when I say, "Wilber will be greatly missed by all who had the pleasure of coming in contact with him."

“ When traveling from Lansing, Mi. to Zanesville every June, we always made sure to make time for our visits to Uncle Wilbur! We knew it would be a lengthy one for it was always filled with history lessons of family & cultural issues! We will truly miss these. After the tears have ceased, and goodbyes have been said, all we have to hold onto are the happy memories that we all have shared. This will help keep him alive in our hearts and minds.
May you take comfort in the fact that you are surrounded by a family that loved him dearly.
Our deepest condolences to you Aunt Gretta, Dawn, Lee and family.
May God Bless you and give you the strength you need during this time.

From Brenda and Family, Aunt Tootie and Family.
