“ *My condolences to Carol, Mary, Bill and all the Kohler family. I worked with Bill at National Road Beer Dock in the early 80's. Bill was a great boss and friend to me. He was my mentor as well. Bill taught me a lot of business and life lessons. We remained friends throughout the years. I worked at the same hospital as Carol his wife and Mary his daughter. Mary and I have worked at the Cancer center together longer than we may want to admit. Bill and Carol have given so much to Genesis healthcare system over the years including the Tree of Life Christmas trees. I will miss Bill. I am a better person for knowing him. God bless and god speed. Sincerely Mark Schube.*
