“ *Louis, Our thoughts & prayers are with you & your family. I'm not in touch with our classmates very much so I was not aware of her having cancer. Unfortunately too many are suffering with this illness. We did enjoy visiting with you & Yvonne at our last class reunion. She was a sweet lady. May your happy memories help ease the sorrow. Take care. In Sympathy, Bud & Ruth ( Stackhouse ) Mattevi*

“ *Cousin Vonnie was special as she was always loving, kind and thoughtful. She will be in my heart forever. I will never forget all the fun times we had together in Cambridge, i.e. playing cards, dancing and singing or just talking. I was so happy I was able to speak to her before she left the last time to the hospital. She insisted I listen to the Arabic CD I mailed her. She was just thrilled with the music. She also taught me how to make a quick version of Arabic fatayas by placing the frozen bread dough in the microwave. I will think of her every time I eat them.*

*God bless all the family with our deepest condolences.*

*Love,*

“ My deepest sympathy to Yvonne's immediate family and beyond to her relatives and many friends. I never knew Yvonne personally, but rather thru her "brother" (in law) Al Carrucio and his wife, (Yvonne's sister) Joyce. Her kindness to all knew no bounds. And now it will live on thru her children...she surely did leave a beautiful legacy for all to try to emulate. A life well lived. Linda Brewer SBHS '59

“ To all of the Nader Family, my deepest sympathy for the loss of a great woman. Yvonne always treated me as if I was one of her sons. I loved her, and will miss her greatly. Yvonne was always generous with her time, and would do anything for anyone in need. I've always enjoyed the books of information that she wrote on her Christmas cards to me, to keep me up to date of what is happening with the family.

*This is such a great loss, that it cannot properly be put in words. May God help you all to get through this tough time. God Bless you all.*
