“ At a time like this, it is difficult to find words to express my sympathy for your loss of a great young man. I had the honor of teaching Zach in the Pathways to Engineering program. He was one of the brightest students I ever had and was very proud of him going from the Banana Peel to the Battelle Institute. He and his two closet buddies.....Dakota Tom and Stephen Watson, always kept the classes lively to say the least. Zach stayed in loose touch with me and I will always treasure my memories of him. He was special and I will treasure my memories of him.....
